ARRIVING AT THE CONGRESS

Getting to and from Ben Gurion Airport

Getting to and from Ben Gurion Airport, Israel's main international airport is generally an easy task with many options available including the train, shuttles, taxis, sheruts (shared taxis), and car rental. Each has its own advantages and each is better suited to different types of traveller, different destinations/start points, and different numbers of people.

BEN GURION AIRPORT TEL AVIV AIRPORT SHUTTLE TRANSFERS

The shuttles from Ben Gurion Airport to Tel Aviv and back are one of the most convenient and cheapest ways to get from the airport to the city of your choice. Tel Aviv Airport Shuttles run from the airport to Tel Aviv from \$19 per person each way (based on a car of 3 people). Shuttles are available 24/7 with no surge pricing timetable so travellers are able to choose a pickup time associated with their arrival time, meaning less wait time at the airport. All pickups include waiting time and flight monitoring in case of a delay.

More information can be found here including online booking. <https://www.bus.co.il/otobusimmvc?Language=en>

TAXI

From Ben Gurion Tel Aviv International Airport to Tel Aviv City Centre & Congress Venue:

Likewise, if you are returning a car, follow signs to the drop off point and there will be a bus service to the main airport terminal.
