## Welcome Message

Dear Colleagues, it is my great privilege and honour to invite you to come and join us in Antibes, France, at the 15th Annual Congress of the European Urogynaecological Association (EUGA) from 20-22 October 2022. Each year EUGA goes from strength to strength with ever-increasing membership numbers and attendees at our annual meeting. This year again, we are going to do everything to make you live an unforgettable meeting, just like Adolf Lukanovic did last year in Ljubljana.

The EUGA scientific committee, chaired by Michele Meschia, has created an outstanding scientific programme made of state-of-the-art lectures, debate, open questions, symposia, workshops and abstract sessions which will keep us up-to-date with the latest advances in urogynaecology, with the contribution of renowned European experts. We have been facing with many challenges in the past two years, both on professional and personal levels so, it is my strong hope that we will all have the chance to meet in person again, in a safe and relaxing environment.

We look forward to seeing you in Antibes to present your research, participate in scientific debates, mingle with colleagues and friends and have an enjoyable time.
