WELCOME MESSAGES

Montserrat Espuña-Pons
EUGA President

Dear Friends and Colleagues,

It is a privilege, on behalf of the European Urogynaecological Association, to invite you to our 19th EUGA Annual Meeting in Athens.

Following the outstanding success of the IUGA-EUGA Joint Meeting 2025, which united our global community in an unprecedented spirit of collaboration and scientific excellence, EUGA 2026 will represent the next defining chapter for urogynaecology in Europe.

Our Scientific Committee is developing a dynamic and forward-looking programme, carefully designed to address the evolving needs of our specialty and the complex challenges of contemporary clinical practice.

Whether you are an established authority in the field or an emerging professional, the EUGA Congress represents a unique opportunity to contribute to a shared vision of excellence in urogynaecology, to exchange ideas with peers from across Europe, and to take part in a truly memorable experience.

I warmly invite you to join us in Athens for what promises to be an exceptional and unforgettable congress.

I look forward to welcoming you personally.

Dear Friends and colleagues,

It is a great honour, as Chair of the EUGA 2026 Annual Congress, to invite you to join us in Athens from 3–5 December 2026 at the Megaron International Conference Centre. The programme will highlight key developments in evidence-based practice, innovation and multidisciplinary collaboration, with internationally recognised experts sharing the latest advances in diagnostics, surgical techniques, technologies and patient-centred care through state-of-the-art sessions, debates and hands-on learning opportunities.

Athens, the city where heritage and progress meet, will offer an exceptional and inspiring backdrop for this gathering.

EUGA 2026 promises an enriching professional and cultural experience.

I warmly encourage you to mark 3–5 December 2026 in your calendar and join us for three days of learning, networking and inspiration.
